### **Academic Culture Jean Brick Second Edition**

Jean Brick's book is an excellent guide to academic culture and skills for students and academics alike. Although she describes the book as being about academic culture it is much more than that. I found it to be a comprehensive, useful and very readable guide to English for a variety of academic purposes.

**Academic Culture (978-1-4202-5659-8) Textbook " StudentVIP**

This book explains to students what university lecturers expect of them. The chapters cover the meanings of academic culture, and different styles of thinking and writing. The book also covers how to be an independent learner, and how to take part in tutorials, seminars, and project groups; and when and how to use the student voice. [Back cover, ed].
