

alter ego 3 guide pdf

An alter ego (Latin for "other self") is a second self, which is believed to be distinct from a person's normal or true original personality. A person who has an alter ego is said to lead a double life. The term appeared in common usage in the early 19th century when dissociative identity disorder was first described by psychologists. Cicero coined the term as part of his philosophical ...

The id, ego, and super-ego are three distinct, yet interacting agents in the psychic apparatus defined in Sigmund Freud's structural model of the psyche. The three parts are the theoretical constructs in terms of whose activity and interaction our mental life is described. According to this Freudian model of the psyche, the id is the set of uncoordinated instinctual trends; the super-ego ...
