Project MUSE Mission. Project MUSE promotes the creation and dissemination of essential humanities and social science resources through collaboration with libraries, publishers, and scholars worldwide.

### **Project MUSE - Britain and World Power since 1945**

It is said that Britain is punching above its weight but this weight, relatively to that of other emerging world powers, is a declining one. The real value of British forces is in the contribution to alliances such as NATO or, in the future, even a European force if an effective one will eventually emerge.

### **Is Britain still a world power? - Quora**

This is a book about British foreign policy since the end of the Second World Warâ€”about the adjustments UK policymakers have and have not made in response to Britainâ€™s relative decline in power over the period.Â¹ To that extent, it is a work of international history.

### **Britain and World Power since 1945: Constructing a Nation**

In spite of the setback of the American Revolution, the Battle of Trafalgar on October 21, 1805, followed by Waterloo on June 18, 1815, left Britain a major power in Europe and the dominant world power at sea, laying the groundwork for colonial expansion that would extend Victorian Britainâ€™s hegemony over Africa and much of Asia.

### **Britain and America: world power trajectories? | HistoryNet**

Though Britainâ€™s descent from global imperial power began in World War II and continued over the subsequent decades with decolonization, military withdrawal, and integration into the European Union, its foreign policy has remained that of a Great Power.

## **Power PDF | PDF Creator | Nuance UK**

A great power is a sovereign state that is recognized as having the ability and expertise to exert its influence on a global scale. Great powers characteristically possess military and economic strength, as well as diplomatic and soft power influence, which may cause middle or small powers to consider the great powers' opinions before taking actions of their own.

## **Great power - Wikipedia**

Seeing 'Leviathan' on the front cover and reading the prologue which talks of the launch of the 'Royal George' I thought I was buying a book on the rise of Britain as a world SEA power with the attendant discussions that would ensue on naval architecture, zones of power and influence, customs and the way the British Navy was run from Henry ...
