Business Analysis Fundamentals and Techniques

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...

Making a PDF File Accessible - Step by Step. As with any written documentation, PDF files that will be published to County web pages must first be made accessible. If receiving content from 3rd party vendors, it is recommended you insist to those vendors that they provide the document with remediation already completed.
