Muscular Christianity was a philosophical movement that originated in England in the mid-19th century, characterised by a belief in patriotic duty, manliness, the moral and physical beauty of athleticism, teamwork, discipline, self-sacrifice, and "the expulsion of all that is effeminate, un-English, and excessively intellectual." The movement came into vogue during the Victorian era as a ...

Spinal muscular atrophy (SMA) is a rare neuromuscular disorder characterised by loss of lower motor neurons and progressive muscle wasting, often leading to early death.. The disorder is caused by a genetic defect in the SMN1 gene, which encodes SMN, a protein widely expressed in all eukaryotic cells (that is, cells with nuclei, including human cells) and necessary for survival of motor neurons.
