Anarchist economics is the set of theories and practices of economic activity within the political philosophy of anarchism. With the exception of anarcho-capitalists who accept private ownership of the means of production, anarchists are anti-capitalists. They argue that its characteristic institutions promote and reproduce various forms of economic activity which they consider oppressive ...

Environmental Issues Why care? Here's what a crew member wrote in February 2006: Both RC ships I worked on (Voyager and Radiance) dragged oil through the waters while their azipods were messed up, and I don't believe they ever reported it. Radiance won "Environmental Ship of the year" from RCCL for the same year I personally witnessed a freaking oil slick while tendered in Juneau in June 2003.
