Master of Science Degree in Information Technology " Cyber Security Concentration. This concentration is designed to offer the opportunity for qualified graduate students to study information technology while developing the special expertise in cyber security.

Department of Information Systems and Cyber Security < The

Security is freedom from, or resilience against, potential harm (or other unwanted coercive change) from external forces. Beneficiaries (technically referents) of security may be persons and social groups, objects and institutions, ecosystems, and any other entity or phenomenon vulnerable to unwanted change by its environment.
