

### **give and take what pdf**

Give and Take: A Revolutionary Approach to Success by Adam Grant is an interesting perspective on the three different types of people in life; givers, takers and matchers. By identifying and assessing the different characteristics of each, Grant provides an interesting insight onto who is actually more successful in life based on their approach.

A superficial summary would sound like a set of homilies: It is better to give than to receive, be nice to other people, and so on. However, you should look past that first impression because Grant's examples and research provide empirical support for his argument that "properly understood" giving offers a superior way to do business.
