It is written for anyone who loves the sea, wildlife or exploring our coast.Over 240 of the 600 photographs in this third edition of Great British Marine Animals are new. They show further aspects of the fascinating behaviour of common animals, and illustrate 30 additional species including several more found in rock pools.

### **Great British Marine Animals: Paul Naylor: 9780952283164**

This is a list of mammals of Great Britain. The Great Britain mammal fauna is somewhat impoverished compared to that of continental Europe due to the short period of time between the last ice age and the flooding of the land bridge between Great Britain and the rest of Europe.
