What are idioms? Idioms & meaning. Idioms are expressions which have the meaning that is not obvious from the individual words. For example, the idiom drive somebody round the bend means make somebody angry or frustrated, but we cannot know this by looking at the words.. The best way to understand an idiom is to see it in context.

An idiom is a common word or phrase with a culturally understood meaning that differs from what its composite words' denotations would suggest. For example, an English speaker would understand the phrase "kick the bucket" to mean "to die" and also to actually kick a bucket. Furthermore, they would understand when each meaning is being used in context.
