"India Before Europe" is not only up to date and deeply erudite, but it also presents a highly engaging narrative: thoughtful, accessible, and perfectly balanced between the 'forest' and the 'trees'. Asher and Talbot are acknowledged authorities in the field of medieval India, and their differing areas of expertise complement one another beautifully.

James Mill (1774–1836), in his *The History of British India* (1817), distinguished three phases in the history of India, namely Hindu, Muslim and British civilisations. This periodisation has been influential, but has also been criticised for the misconceptions it gave rise to. Another influential periodisation is the division into "ancient, classical, medieval and modern periods".
