India: Why politics and ideology will matter for business in 2018 One of the challenges facing foreign investors in India in 2018 traces its origin to the humble doormat, though the doormat in question was no ordinary one.

### **India: politics and ideology - Control Risks**

The politics of India takes place within the framework of its constitution. India is a federal parliamentary democratic republic in which the President of India is the head of state and the Prime Minister of India is the head of government. India follows the dual polity system, i.e. a double government that consists of the central authority at the centre and states at the periphery.
