The California Department of Education provides leadership, assistance, oversight and resources so that every Californian has access to an education that meets world-class standards.

California Department of Education

David Coleman (born 1969) is the ninth president of the College Board, a non-profit corporation that is best known for designing the SAT exam and the Advanced Placement (AP) test. He is frequently described in the media as "the architect" of the Common Core State Standards Initiative.

David Coleman (education) - Wikipedia

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
