National Geographic (formerly the National Geographic Magazine and branded also as NAT GEO) is the official magazine of the National Geographic Society. It has been published continuously since its first issue in 1888, nine months after the Society itself was founded. It primarily contains articles about science, geography, history, and world culture.

National Geographic - Wikipedia

The National Geographic Society was founded in 1888 "to increase and diffuse geographic knowledge." It is governed by a board of trustees, whose 21 members include distinguished educators, business executives, former government officials and conservationists.
