The food industry is becoming more customer-oriented and needs faster response times to deal with food scandals and incidents. Good traceability systems help to minimize the production and distribution of unsafe or poor quality products, thereby minimizing the potential for bad publicity, liability, and recalls.

Traceability in a food supply chain: Safety and quality

Practising Law Institute, PLI, is a nonprofit learning organization dedicated to keeping attorneys and other professionals at the forefront of knowledge and expertise through our Continuing Legal Education Programs, Webcasts and Publications

Contains the electronic versions of 80 books previously published in hard copy as part of the Country Studies Series by the Federal Research Division. Intended for a general audience, books in the series present a description and analysis of the historical setting and the social, economic, political, and national security systems and institutions of select countries throughout the world.

About this Collection | Country Studies | Digital

Biblical Sabbath is a weekly day of rest or time of worship given in the Bible as the seventh day. It is observed differently in Judaism and Christianity and informs a similar occasion in several other faiths. Though many viewpoints and definitions have arisen over the millennia, most originate in the same textual tradition of "Remember the sabbath day, to keep it holy".

Biblical Sabbath - Wikipedia
