The phrase 'to address the issue' is used, signaling to the reader that the problem/solution structure is being used and pointing to a possible solution.

How to Identify the Problem and Solution in a Reading

Problem and Solution A story usually begins by introducing a character and the problem he or she has. The steps the character takes to solve the problem are the events of a story. A story ends with the solution to the problem. The problem, events, and solution make up the plot of a story. Read the passage and each question. Underline the answer in

Problem and Solution Comprehension Passages! | Reading

Call on students to come up to the board to highlight the places where solutions are offered. Discuss that since the passage does go back and forth between the problems and some solutions, this is a stronger demonstration of the problem and solution text structure.

What's Your Problem? Problem and Solution Text Structure

Problem solving and critical thinking refers to the ability to use knowledge, facts, and data to effectively solve problems. This doesn't mean you need to have an immediate answer, it means you have to be able to think on your feet, assess problems and find solutions. The ability to develop a well thought out solution

Problem Solving and Critical Thinking

Assigning reading questions is one solution but that leads to another problem. 2. Does the student comprehend what they read? The typical way that I handle reading comprehension is by assigning reading questions. These are either found at the bottom of the reading selection or on a different answer sheet.

6 Reading Comprehension Problems & What To Do About It

Read fairy tales and discuss problems and solutions. Tell students to look for characters in a story. Often times, characters will have problems and solutions. As they listen to stories that are read to them by their parents and teachers, see if they can find the problem and solutions.
