Stress and Lack of Recovery. We feel stressed when we feel unable to cope with the demand being placed on us. However, stress is not necessarily bad for us. As long as we manage to recover after a stressful period, there is little harm in feeling stressed. Persistent coping with acute and chronic stressors, however, leads to wear and tear on the body (the so-called allostatic load) and can have ...

The National Industrial Recovery Act of 1933 (NIRA) was a US labor law and consumer law passed by the US Congress to authorize the President to regulate industry for fair wages and prices that would stimulate economic recovery. It also established a national public works program known as the Public Works Administration (PWA, not to be confused with the WPA of 1935).
