The reward for putting an end to Kruglach's reign "one hundred and fifty gold pieces" is hardly a fortune, but you live as much for the thrill of a challenge as financial reward. And the helpless looks in the villagers' eyes simply make you more determined. You promise to seek out Kruglach, and destroy him.

c. Perform the linear circuit analysis at the frequencies of interest by using simplifying approximations. The Proteus tool will take care of all these activities. i.e., The Proteus tool calculates the small-signal response of the circuit to a combination of inputs by transforming it around the bias point and treating it as a linear circuit.

According to the Greek geographer Strabo of the Augustan era, Rhoiteion was founded by Astypalaians at some point following the fall of Troy. A scholion on the text of Apollonius of Rhodes explained the origin of the name as referring to Rhoiteia, daughter of Proteus, but scholars consider this etymology to be spurious.
