This is an older machine and I don't remember where "D" is. Ricoh uses Optical sensors in most of their equipment so you will be looking for what looks like 2 LEDs close together in the paper path or a actuator of some sort in the paper path that goes back to a black U shaped device (another type of optical sensor).

SOLVED: It says to reset paper tray. How do i reset it

Emptying the waste toner in a Ricoh copier or printer is something you can often do quickly that will get your machine up and running again so you don't have to wait for your service technician to come by.
