A political spectrum is a system of classifying different political positions upon one or more geometric axes that represent independent political dimensions.. Most long-standing spectra include a left wing and right wing, which originally referred to seating arrangements in the French parliament after the Revolution (1789-1799). On a left-right spectrum, communism and socialism are ...

Autism spectrum disorders (ASDs) are developmental disorders which are thought primarily to affect social functioning. However, there is now a growing body of evidence that unusual sensory processing is at least a concomitant and possibly the cause of many of the behavioural signs and symptoms of ASD.
