are welcoming the spiritual voice into their discussion. The Progression of the Educational Leadership Discourse A fundamental belief about school reform is that in order for substantive change to occur in schools, there first must be a shift in the ideology and definition of educational leadership.

1 Including a Spiritual Voice in the Educational

Spiritual Discourse in the Academy focuses on the value of spirituality as a subjugated knowledge from globalized contexts. The book's central tenet is that spirituality is the core of one's intellectual growth and that its inclusion in education acknowledges the sum total of who we are.
