- [Voiceover] Welcome to Data Visualization, Storytelling Essentials. I'm Bill Shander, founder of Beehive Media an information design and data visualization consultancy in Boston. Storytelling is sort of a faddish term in marketing, but I'll make the argument in this course that storytelling has actually been critically important to human survival. Therefore, if you're communicating to anyone ...

Storytelling describes the social and cultural activity of sharing stories, sometimes with improvisation, theatrics, or embellishment. Every culture has its own stories or narratives, which are shared as a means of entertainment, education, cultural preservation or instilling moral values. Crucial elements of stories and storytelling include plot, characters and narrative point of view.
