

### **the alliance managing talent pdf**

Employment in the Networked Age is ourish. Employees invest in the company's success; the company invests in the employees' market value. By building a mutually beneficial alliance rather than simply exchanging money for time, employer and employee can invest in the relationship and take the risks necessary to pursue bigger payoffs.

### **The Alliance: Managing Talent in the Networked Age**

So, paradoxically, the alliance begins with managers acknowledging that great employees might leave the company, and with employees being honest about their own career aspirations.
