Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...

Translating Children Books: Difficulties and Reluctances. Babar, Pippi Longstocking, Emil and the Detectives, Heidi, The Wonderful Adventures of Nils and even Asterix and Obelix or Tintin (comic books meant for adults more than children) are works we are familiar with. Some of them have marked our childhood, and those books are available to all thanks to the wonders of translation.
