Replacing Belmont bridge is a community priority. While thereâ€™s a sense of urgency, thereâ€™s also an understanding of importance. The new bridge will need to accommodate the changing needs of our community, integrate with downtown and surrounding neighborhoods, and add lasting value to the Cityâ€™s visual appeal.

Belmont Bridge | Belmont Bridge Replacement

A bridge is a structure built to span physical obstacles without closing the way underneath such as a body of water, valley, or road, for the purpose of providing passage over the obstacle, usually something that can be detrimental to cross otherwise. There are many different designs that each serve a particular purpose and apply to different situations.
