Temporary Suspensions. Alternate side parking regulations may be suspended temporarily in parts of the City in order to post new regulations. When the Department of Sanitation must change street cleaning rules, regulations are suspended temporarily to allow DOT to update signs in the affected area. These suspensions do not affect parking rules other than alternate side parking rules.

The January effect is a hypothesis that there is a seasonal anomaly in the financial market where securities' prices increase in the month of January more than in any other month. This calendar effect would create an opportunity for investors to buy stocks for lower prices before January and sell them after their value increases. As with all calendar effects, if true, it would suggest that the ...

The Armenian calendar is the calendar traditionally used in Armenia.. The older Armenian calendar was based on an invariant year length of 365 days. As a result, the correspondence between it and both the solar year and the Julian calendar slowly drifted over time, shifting across a year of the Julian calendar once in 1,461 calendar years (see Sothic cycle).
