Displacement Hull Catamaran - Central Authentication Service

It is an all-in-one reference book that includes everything a cruising sailor needs to know, from general planning to technical guidance to sailing advice. From its 4 color, high-end illustrations and photographs to its modern, easy-to-read design, Bareboat Cruising Made Easy is a beauty.

Official ASA Sailing Textbooks

The AHP is used to develop a sailboat called an MHM-Maran that combines the characteristics of a sloop with a catamaran. With one large and one small pontoon (connected by two poles made of titanium), a fin

keel, spade rudder, and a never-before-seen sail (maranaker), it offers many performance benefits to the sailor and is being considered by a contemporary sailboat manufacturer.

Designing the best catamaran - ScienceDirect

Cruising Catamarans Made Easy is the first book to serve as a complete guide for the cruising catamaran sailor. It features a water-resistant cover, an easy-to-follow layout of two-page spreads throughout and an extensive glossary of terms.
