The Journal of the Mexican Chemical Society (J. Mex. Chem. Soc.) is a scientific, blind, peer reviewed, and open access, non publication charge, quarterly publication which language of submission and publication is English. The J. Mex. Chem. Soc. covers all areas of chemistry and its sub-disciplines. It will primarily publish original contributions of research in all branches of the theory and ...

Chemical biology is a scientific discipline spanning the fields of chemistry and biology. The discipline involves the application of chemical techniques, analysis, and often small molecules produced through synthetic chemistry, to the study and manipulation of biological systems. In contrast to biochemistry, which involves the study of the chemistry of biomolecules and regulation of biochemical ...
