Drip painting is a form of abstract art in which paint is dripped or poured on to the canvas. This style of action painting was experimented with in the first half of the twentieth century by such artists as Francis Picabia, André Masson and Max Ernst, who employed drip painting in his works *The Bewildered Planet*, and *Young Man Intrigued by the Flight of a Non-Euclidean Fly* (1942).

### **BASIC INFORMATION**

There are a great many paintings and statues of Moses and events of the exodus which are available -- to many for me to link to here. However, I've focused on the work of James J. Tissot (French painter and illustrator, 1836-1902), who painted a series of watercolors that cover the life of Moses, 1896-1900. Most are available are owned by the Jewish Museum of New York.
