Burial or interment is the ritual act of placing a dead person or animal, sometimes with objects, into the ground. This is accomplished by excavating a pit or trench, placing the deceased and objects in it, and covering it over. Humans have been burying their dead for at least 100,000 years.

Crucifixion is a method of capital punishment in which the victim is tied or nailed to a large wooden beam and left to hang for several days until eventual death from exhaustion and asphyxiation.. The crucifixion of Jesus is a central narrative in Christianity, and the cross (sometimes depicting Jesus nailed onto it) is the main religious symbol for many Christian churches.
