Decline of Serfdom in Late Medieval England: From Bondage

A decline in demand for land played its part, but the mechanism by which lords gave up their powers often depended on pressure from tenants, operating below the surface. This book explores attitudes toward serfdom, but only uses the seigniorial sources that give the lords's perspective.

Mark Bailey. Decline of Serfdom in Late Medieval England

Rents and such incidents of villeinage as merchets and entry fines tended to fall in value. Money rent almost universally replaced labour rent. Conditions of customary tenure approached those of free tenure whether freehold or leasehold.

Economic and Demographic Factors in the Decline of Serfdom

For Bailey, therefore, what converted relative decline into absolute decline was the replacement of customary villein tenures with either leasehold or various types of copyhold tenure, the divorce of personal status (serfdom) from land tenure (villeinage), full commutation of the week works, which were the most demeaning forms of servile rent ...
