I always have tons of ideas for activities and games to make math fun for my kids, but let's be honest. Sometimes I'm more excited about the activity than they are, and it turns into a huge flop. Recently, however, I created what I thought was a super simple resource to work on shapes and logic, and was blown away by the response from my kids.

The Aspie Quiz was recently updated to Final Version 3, which is a major update, so I thought it would be a good idea to retake it. Much of what's changed is behind the scenes refinement of the test items and

won't be evident to the average test taker.
