

the empowered self law pdf

The term empowerment refers to measures designed to increase the degree of autonomy and self-determination in people and in communities in order to enable them to represent their interests in a responsible and self-determined way, acting on their own authority. It is the process of becoming stronger and more confident, especially in controlling one's life and claiming one's rights.

The concept of justifiable homicide in criminal law (e.g. as opposed to culpable homicide) stands on the dividing line between an excuse, a justification, and an exculpation. In certain circumstances, homicide is justified when it prevents greater harm to innocents. A homicide can only be justified if there is sufficient evidence to prove that it was reasonable to believe that the offending ...
