The gypsy woman's dark face beamed under the blue scarf. "Doesn't one always spend the winters in Paris?" she asked, as if she were a woman of fashion. "But have you taken to the streets so early?" Armand shrugged his shoulders under the long overcoat that almost reached to his ankles. "It's back under the bridge for me," he answered.

The lack of a definition of the family in the law stems partly from the fact that the family has no legal status separate from its members. The role of the law is usually one of defining and enforcing rights and obligations of the individuals who are members of the family husbands and wives, domestic partners, parents and children.
