

**the french and indian pdf**

The French and Indian War (1754–63) pitted the colonies of British America against those of New France, each side supported by military units from the parent country and by American Indian allies. At the start of the war, the French colonies had a population of roughly 60,000 settlers, compared with 2 million in the British colonies. The outnumbered French particularly depended on the Indians.

**French and Indian War - Wikipedia**

The French and Indian Wars is a name used in the United States for a series of conflicts that occurred in North America between 1688 and 1763 and were related to the European dynastic wars. The title French and Indian War in the singular is used in the United States specifically for the warfare of 1754–63, the North American colonial counterpart to the Seven Years' War in Europe.
