the geopolitics of energy pdf

Geopolitics (from Greek *gē* "earth, land" and *politiká*,—"politics") is the study of the effects of geography (human and physical) on politics and international relations. While geopolitics usually refers to countries and relations between them, it may also focus on two other kinds of states: de facto independent states with limited international recognition and ...

Back to top. US Military Spending. The United States has unquestionably been the most formidable military power in recent years. Its spending levels, as noted earlier, is the principle determinant of world military spending and is therefore worth looking at further.

World Military Spending at Global Issues

The International Renewable Energy Agency (IRENA) is an intergovernmental organisation supporting countries in their transition to a sustainable energy future.

IRENA at International Renewable Energy Agency

As an aside, though also related, in terms of the economic situation, it has been common, as the above briefing is titled, to blame the victim on causes of poverty, corruption, lack of development, and so forth. This has often applied to Africa, as well as other regions around the world when discussing such things in the mainstream.

Conflicts in Africa – Introduction – Global Issues

Pipeline transport is the long-distance transportation of a liquid or gas through a system of pipes – a pipeline – typically to a market area for consumption. The latest data from 2014 gives a total of slightly less than 2,175,000 miles (3,500,000 km) of pipeline in 120 countries of the world. The United States had 65%, Russia had 8%, and Canada had 3%, thus 75% of all pipeline were in these ...

In last month's Report, we noted that since the middle of the year oil supply had increased sharply, with gains in the Middle East, Russia and the United States more than compensating for falls in production in Iran, Venezuela and elsewhere. New data show that the pace has accelerated, and this higher output, in combination with Iranian sanctions waivers issued by the US and steady demand ...
