A Guild Navigator (alternately Guildsman or Steersman) is a fictional humanoid in the Dune universe created by Frank Herbert. In this series and its derivative works, starships called heighliners employ a scientific phenomenon known as the Holtzman effect to "fold space" and thereby travel great distances across the universe instantaneously. Humans mutated through the consumption of and ...

Navy, a shorter form of navigator or navigational engineer (), is particularly applied to describe the manual labourers working on major civil engineering projects and occasionally (in North America) to refer to mechanical shovels and earth moving machinery. The term was coined in the late 18th century in Great Britain when numerous canals were being built, which were also sometimes known as ...
