The French Revolution "This is more than a history of the French Revolution. It covers all Europe during the revolutionary period, though events in France naturally take first place.

### **The French Revolution - Eli Meyerhoff**

The Great Wave: Price Revolutions and the Rhythm of History Finally, the great wave crested and broke with shattering force, in a cultural crisis that included demographic contraction, economic collapse, political revolution, international war and social violence. These events relieved the pressures that had set the price-revolution in motion.

conflict in the colonies and saw that British policies favored a colonial elite. The Revolution, according to this view "became as much a war against the colonial aristocracy as a war for independence." Economic and social interpretations of the Revolution were widely accepted during the Great Depression of the 1930s.

### **The Causes of the American Revolution - Digital History**

There's also the revolution of the show itself: a musical that changes the way that Broadway sounds, that alters who gets to tell the story of our founding, that lets us glimpse the new, more diverse America rushing our way.
