2006 Policy History Conference, the 2006 American Political Science Association annual meeting, the George Washington University junior faculty workshop, a seminar at the MIT Department of Political Science, and the Harvard/MIT EconomicSociology

The Origins of Tax Systems: A French- American Comparison¹

A tax system may also be regressive or proportional. A regressive tax system is one where the proportion of income paid in taxes tends to decrease as one's income increases. A proportional tax system simply means that everyone pays the same tax rate regardless of income. A particular tax system may display elements of more than one approach.

History, Fairness, and Current Political Issues by Brian Roach
