David Iglar is a long-time historian of California history and culture. He has presented for the Western Historical Association, the Pacific Coast Branch of the American Historical Association, and the California Studies Association. Dr. Iglar is professor of history at the University of Utah.

The Human Tradition in California ISBN 9780842050272 PDF

dichotomy between biology as nature and culture as nurture breaks down. Cul- ture becomes part of human nature. Most important for present purposes, the conception of culture as internal rather than external privileges the study of devel- opmental processes of cultural appropriation, to use a term originated by Saxe (1991).

Cultural Change and Human Development

The Human Tradition in California captures the region's rich history and diversity, taking readers into the daily lives of ordinary Californians at key moments in time. These brief biographies show how individual people and communities have influenced the broad social, cultural, political and economic forces that have shaped California history from the pre-mission period through the late-twentieth century.

Kenneth Mills introduces Diego de Ocaña a Jeronymite missionary in Peru who despite great piety displays

human weaknesses. The well known life of Guaman Poma is highlighted by Rolena Adorno. Grant Jones recounts the story of AhChan an Itza Maya nobleman who converted to Christianity but later resisted Spanish attempts to subdue his peoples' remote and long independent kingdom.
