Employees today hate management. Hate is a very strong word. But, it's true. Employees hate management because they feel they're treated like children, and they don't trust what management tells them. They feel underpaid, and that they are being forced to shoulder more and more of the cost of their health benefits.

The Hate U Give is one of those books. I could tell you that this book is inspired by the "Black Lives Matter" movement. I could tell you that it rips unapologetically into a subject that needed to be ripped into - the shootings of unarmed black people by police officers, as well as racial bias in the justice system.
