

the instability of capitalism pdf

Capital in the Twenty-First Century is a 2013 book by French economist Thomas Piketty. It focuses on wealth and income inequality in Europe and the United States since the 18th century. It was initially published in French (as *Le Capital au XXI^e siècle*) in August 2013; an English translation by Arthur Goldhammer followed in April 2014. The book's central thesis is that when the rate of return ...

Capital in the Twenty-First Century - Wikipedia

Capitalism is an economic system based on the private ownership of the means of production and their operation for profit. Characteristics central to capitalism include private property, capital accumulation, wage labor, voluntary exchange, a price system, and competitive markets. In a capitalist market economy, decision-making and investment are determined by every owner of wealth, property ...
