the international social issue pdf

2 Social security: Issues, challenges and prospects social dialogue; and implications for future ILO work. 2 In this report a chapter is devoted to each of these topics.

Social security: Issues, challenges and prospects

A social problem is an issue within the society that makes it difficult for people to achieve their full potential. Poverty, unemployment, unequal opportunity, racism, and malnutrition are examples of social problems. So are substandard housing, employment discrimination, and child abuse and neglect. Crime and substance abuse are also examples of social problems. Not only do social problems affect many people directly, but they also affect all of us indirectly.

An Introduction to Social Problems, Social Welfare

shape the issue, the consequences of addressing or not addressing it, and possible solutions, controversies, and international actions already under way or proposed.
