Suggested Citation: Developing an Effective Evaluation Plan. Atlanta, Georgia: Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Office on Smoking and Health; Division of Nutrition, Physical Activity, and Obesity, 2011.

Developing an Effective Evaluation Plan

The interventions themselves, in conjunction with comprehensive testing (i.e., intelligence testing, achievement testing, developmental history, etc.) assist in the determination of a student's verification for special education services.

RtI INTERVENTIONS MANUAL - Welcome to ESU #1

Interventions for obesity prevention generally have had no or limited effects with no obvious patterns in findings to guide program development. The chapter assumes imbalances in dietary intake and physical activity account for most of the problem.

Problems and possible solutions for interventions among

This is a wonderful summary of solution-focused techniques. I already use some of them but it's useful to have all these strategies in one place for easy review. I am a new solution-focused coach and think the new techniques I learned will be useful right away for a client I will see today.
