VDH LiveWell is a flagship brand for the Office of Family Health Services to help Virginia become the healthiest state in the nation. You'll find information on programs that focus on strengthening the health of families and communities, plus risk avoidance tips and information on how certain issues affect public health.

VDH LiveWell is a flagship brand for the

Chroma key compositing, or chroma keying, is a visual effects/post-production technique for compositing (layering) two images or video streams together based on color hues (chroma range). The technique has been used heavily in many fields to remove a background from the subject of a photo or video - particularly the newscasting, motion picture and videogame industries.

The 10 Priorities provide the concrete actions that are needed to achieve the objectives of the WHO Global strategy and action plan on ageing and health. Each priority is crucial to enable the world to take on a decade of concerted action on Healthy Ageing (2020-2030). Many are inextricably linked and all will require collaboration with many key partners.
