A tort, in common law jurisdictions, is a civil wrong that causes a claimant to suffer loss or harm resulting in legal liability for the person who commits the tortious act.. Tort law, where the purpose of any action is to obtain a private civil remedy such as damages, may be compared to criminal law, which deals with criminal wrongs that are punishable by the state.

Tort - Wikipedia

A mass tort is a civil action involving numerous plaintiffs against one or a few defendants in state or federal court. The lawsuits arise out of the defendants causing numerous injuries through the same or similar act of harm, for example, a prescription drug, a medical device, a defective product, a train accident, a plane crash, pollution, or a construction disaster.
