The sequel to the British Fantasy Award-nominated novel, The Last Plague. The Last Outpost continues to chronicle the events as a devastating epidemic reduces the UK to an infected wasteland. Great Britain has fallen to the Plague and the war is lost. The few people left alive scavenge in the desolation of a ruined country.

Pleiadian Message that astounds those around you. Many people who do not understand the times are afraid of the power running through humankind today, so they perceive some people with power as being arrogant. Be cautious of this fault and, as you unfold to the power of healing and the energy that is within you, be sincerely gracious.

Pleiadian Message - The Last Outpost

resents the last territorial expansion of the British Empire. The construction of the rocket range in the late 1950s meant that much of the Hebridean archipelago was turned into a massive topography of observation.
