The qualitative approach to research design leads to studies that are quite different from those designed using the more traditional approach. The traditional approach, often referred to as quantitative research, leads to hypothesis-testing research, whereas the qualitative approach leads to hypothesis-generating research. This chapter will describe the difference

Introducing Qualitative Hypothesis-Generating Research

Augusto Zimmermann. For years fathers' groups have complained that whenever they request that fathers should have more time to spend with their children after divorce, feminist groups argue that those children will be exposed to more violence.
