Madonna of Excelsior, which deals with the issues of the process of reconciliation between the present and the past. In this paper, we investigated if the masses are willing to forget the past in order to create a better future for the new generation of the new South Africa.

The Reconciliation Process in Post-Apartheid South Africa

The portraits create an imaginary world with blue or purple madonnas in lush robes or naked, sitting in yellow corn fields, among surreal bright sunflowers or surrounded by pink and white star like blossoms. The child of the heavy-set full-breasted Madonna is of a lighter shade of brown and shows delicate features.

Niki, the fallen madonna, transgresses boundaries for the sake of love; her choices have repercussions in the lives of her black son and mixed-race daughter, who come of age in post-apartheid South Africa, where

freedom prompts them to reexamine their country's troubled history at first hand. By turns earthy, witty, and tragic, *The Madonna of Excelsior* is a brilliant depiction of life in South Africa and of the dramatic changes between the 1970s and the present.
