

the masculine way what pdf

The Way of Men is a fantastic look at masculinity and modern men. So much so, that if I were to choose one book to give to people to explain the current state of men, gender relations, feminism etc. this would be it. And that is my recommendation to you.

The Way of Men by Jack Donovan - Masculine Books

To define "masculine" and "feminine," I use the framework of a continuum "from extremely masculine to extremely feminine. Before we learn more about this continuum, it is important to understand that feminine does not equal "women," and masculine does not equal "men." No woman is exclusively feminine, no man exclusively masculine.
